FOR IMMEDIATE RELEASE

FIRST POTOMAC REALTY TRUST ANNOUNCES TAX REPORTING INFORMATION FOR 2010 COMMON SHARE DISTRIBUTIONS

WASHINGTON, D.C. (January 21, 2011) – First Potomac Realty Trust (NYSE:FPO), a leading owner of office and industrial properties in the greater Washington, D.C. region, today announced the tax reporting information (Federal 1099) for the year 2010 distributions on its common shares. The information in this release is based on the preliminary results of the Company's tax filings and is subject to correction or adjustment when the filings are completed.

The income tax treatment for the 2010 distributions for First Potomac Realty Trust Common Stock CUSIP# 33610F109 traded on the NYSE under ticker symbol "FPO" is as follows:

Declaration Dates	Record Dates	Payable Dates	Distributions per Share	Distribution Type	
				Ordinary Taxable Dividend	Return of Capital
1/26/2010	2/5/2010	2/12/2010	\$0.20	\$0.14075	\$0.05925
4/27/2010	5/7/2010	5/14/2010	\$0.20	\$0.14075	\$0.05925
7/26/2010	8/6/2010	8/13/2010	\$0.20	\$0.14075	\$0.05925
10/26/2010	11/5/2010	11/12/2010	\$0.20	\$0.14075	\$0.05925
TOTALS			\$0.80	\$0.5630	\$0.2370
PERCENT			100.00%	70.3750%	29.6250%

The dividends classified above as ordinary income do not represent "qualified dividend income" and therefore are not eligible for reduced rates. The Company did not incur any foreign taxes. This information represents final income allocations.

For shareholders subject to alternative minimum tax, your share of the 2010 alternative minimum tax adjustment items can be calculated by multiplying the ordinary taxable dividend amount in box 1a of the 2010 Form 1099-DIV by 4.0308%. Please consult your tax advisor for proper treatment of this adjustment item.

Forward Looking Statements

The forward-looking statements contained in this press release are subject to various risks and uncertainties. Although the Company believes the expectations reflected in such forward-looking statements are based on reasonable assumptions, there can be no assurance that its expectations will be achieved. Certain factors that could cause actual results to differ materially from the Company's expectations include changes in general or regional economic conditions; the Company's ability to timely lease or re-lease space at current or anticipated rents, or at all (including in connection with tenant bankruptcies and the resulting vacated space); changes in interest rates; increases in operating costs; the Company's ability to complete acquisitions on acceptable terms and successfully integrate such acquisitions into the Company's portfolio; the Company's ability to manage its current debt levels (including the ability to service mortgage debt at properties with significant vacancies caused by tenant bankruptcies or otherwise) and repay or refinance its indebtedness upon maturity or other required payment dates; the Company's ability to obtain debt and/or financing on attractive terms, or at all; changes in the assumptions underlying the Company's expected rates of return on acquisitions and other risks detailed in the Company's Annual Report on Form 10-K and described from time to time in the Company's filings with the SEC. Many of these factors are beyond the Company's ability to control or predict. Forward-looking statements are not guarantees of performance. For forward-looking statements herein, the Company claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. The Company assumes no obligation to update or supplement forward-looking statements that become untrue because of subsequent events.
